

BLACON ON THE MOVE is a project providing accessible transport to community groups in Blacon. The minibus is primarily for use by **Holy Trinity Community Outreach Project**. It is driven by our volunteer driver who will collect people by prior arrangement from their homes (*or another convenient location*) and take them to the activities at Holy Trinity. This is on **Monday mornings and afternoons, Tuesday mornings and Thursday mornings**. Outside these times, the minibus can be booked by not-for-profit community groups.

What does it cost?

Minibus costs: £5.00 per hour*, max £50/day

25% discount for 5 or more bookings

Mileage: 20p per mile

Driver is extra: £10 per hour

If you want to use your own driver, for our insurance purposes, you will need to supply us with evidence that your driver is aged between 25-69 years, and has a clean driving licence (we will need to take a photocopy for our records).

**all times are rounded up to the next hour e.g. 9.5 hours will be rounded up to 10 hours*

Do you want to make use of Blacon on the Move?

Revised 19 June 2019

**BLACON
ON THE MOVE**
At Holy Trinity Church

Our minibus has 16 passenger seats. It has a lift to enable a wheelchair to be lifted on board: with one wheelchair there would be room for 10 other passengers.

Who is Blacon on the Move for?

This is a project designed for Blacon residents. Those who benefit will not be charged a fare for their transport, however they can make a contribution towards the costs of keeping the vehicle on the road.
